<b>List of Abbreviations and Acronyms</b>	<b>x</b>
<b>Executive Summary</b>	<b>xiv</b>
<b>Acknowledgements</b>	<b>xvii</b>
<b>Section 1- Growing Unequally: An audit of the impact of Kenya's Vision 2030 growth on equality</b>	<b>1</b>
<b>1. Introduction</b>	<b>2</b>
<b>2. Inequality and Growth</b>	<b>3</b>
2.1 The state of inequality in Kenya over time	4
2.2 Drivers of inequality in Kenya	5
2.3 A structural explanation for inequality in Kenya	6
<b>3. Vision 2030, Past Growth and Inequality</b>	<b>9</b>
<b>4. Methodology</b>	<b>13</b>
4.1 Employment growth in Vision 2030	13
4.2 The possibility of 10 per cent growth	14
4.3 Estimating the impact of growth on employment	14
<b>5. Simulations</b>	<b>18</b>
5.1 Simulation of employment and income effects at the national level	18
5.2 Simulation of employment effects by sex at the national level	21
5.3 Simulation of regional employment effects	22
<b>6. Priority Sectors: Growth, employment and inequality</b>	<b>24</b>
6.1 Employment impacts	24
6.2 Inequality	25
<b>7. Addressing Inequality: Social programmes</b>	<b>27</b>
<b>8. Policy Implications</b>	<b>28</b>
8.1 Data and information recommendations	29
8.2 Labour intensive employment	29
8.3 The agrarian and rural questions	29
Land redistribution	29

	Rural environmental conservation	30
8.4	The urban question and transforming the Jua Kali sector	31
	Urban housing, redistribution and creating green jobs	31
	Upgrading the Jua Kali sector	32
8.5	Dividing national income: The wage versus profit share	33

## Contents Section 3

<b>Section 3 - Vision 2030 Social Pillar Gender Analysis</b>	<b>71</b>
<b>1. Introduction</b>	<b>72</b>
1.1 Objectives and scope of the audit	74
1.2 Structure of the audit	74
<b>2. Gender Mainstreaming for Development: Expectations and practice in Kenya</b>	<b>75</b>
2.1 Gender mainstreaming as a strategy for addressing gender inequality and achieving sustainable development	75
Gender mainstreaming practice	77
Complementary approaches and alternatives to gender mainstreaming	77
2.2 Kenya's efforts towards gender-responsive development planning and programming	78
<b>3. Methodological Approach: Undertaking a gender audit of the social pillar</b>	<b>82</b>
3.1 Gender analysis frameworks	82
Harvard analytical framework	82
Moser framework	83
Social relations approach framework	84
Capacities and vulnerabilities	85
3.2 Audit approach	85
<b>4. A Gender Analysis of the Social Pillar of Kenya's Vision 2030 – Health and education</b>	<b>87</b>
4.1 Education and training subsector	87
Situation analysis	87
A gender analysis of the education and training sector challenges	88
An analysis of the education and training strategies and goals using the Moser framework	97
Recommendations	98
4.2 Health care delivery	100
Situation analysis	100
A gender analysis of the health sector challenges	101
An analysis of the health subsector strategies and goals using the Moser framework	108
Recommendations	108

<b>5.</b>	<b>A Gender Analysis of the Social Pillar of Kenya’s Vision 2030 – Environment, water and sanitation, housing and population</b>	<b>111</b>
5.1	Situation analysis: Environment subsector	111
	Sustainable management of natural resources	113
	Demand for farmland and forest products	113
	Wild animals in their natural habitat	113
	Medication/hazardous waste	113
	Climate change and desertification	114
	Harnessing strategic natural resources	114
	Summary	115
5.2	Situation analysis: Water and sanitation subsector	115
	A gender analysis of the environment, water and sanitation sectors using the Harvard analytical framework	117
	An analysis of the environment, water and sanitation subsector strategies and goals using the Moser framework	121
5.3	Housing and urbanization	122
	Situation analysis	123
	A gender analysis of the housing and urbanization subsector using the Harvard analytical framework	124
	An analysis of the urbanization and housing subsector strategies and goals using the Moser framework	125
<b>6.</b>	<b>A Gender Analysis of the Social Pillar of Kenya’s Vision 2030 – Gender subsector</b>	<b>127</b>
6.1	Gender, youth and vulnerable groups	127
	Situation analysis	127
	An analysis of the gender subsector strategies and goals using the Moser framework	128
6.2	Challenges to gender mainstreaming	128
<b>7.</b>	<b>Conclusions and Recommendations</b>	<b>130</b>
7.1	Conclusions	130
7.2	Recommendations	131
	Make a gender analysis of issues a prerequisite to any situation analysis	131
	Collect sex-disaggregated and gender-sensitive data	131
	Engender performance monitoring and evaluation frameworks	132
	Institute gender responsive budgeting	133
	Build awareness, capacity and ownership	133
	Strategically locate the Ministry of Gender and gender focal points	133
	<b>References</b>	<b>134</b>
